Re: Columbus Auto Parts

Dear Mr. Malek:

Some time ago, in a phone conversation among you, me and Oscar Lavallee of Baybank, Mr. Lavallee agreed to review the bank's records and talk to the bank's personnel in an attempt to come up with some names of individuals who had management responsibilities in the operation of Columbus Auto Parts. I am enclosing an Organizational Chart that Mr. Lavallee was able to construct based upon information as of a time that Columbus Auto Parts was operating the Columbus facility.

In addition, following are additional names that Mr. Lavallee has been able to come up with in discussions with Baybank personnel:

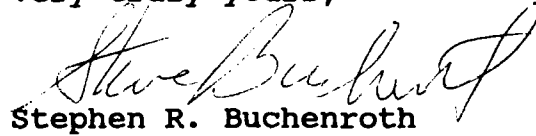

John Salvette
Norm Poindexter
Bill Smith
Joe Nelson
Roland Lartique
Peter Hoskings
L. Houser

Baybank does not have any reliable information regarding addresses for these individuals and has not had contact with most of these individuals for a number of years. If we can be of additional assistance, please let me know.

Very truly yours,

Stephen R. Buchenroth
